

Unframed

The edges of the Unframed Whiteboard are neatly cut, which eliminates the need for a frame and gives the board its timeless design. The sleek board has a thickness of 4 mm, but is super strong. The black side contrasts nicely with the white front.

Size	Article number
98 x 98 cm	16200.100
98 x 148 cm	16200.101
98 x 198 cm	16200.102
