# Wall-mounted boards height-adjustable

The height-adjustable writing boards can easily be changed or moved. Each suspension system has its own benefits and attributes, but they all provide flexibility of use.

Single-surface columns

Teachers and lecturers have been using Smit Visual column boards for decades. An icon in the classroom and still very relevant from an ergonomic point of view.

Winged columns

Our column boards are made of extremely solid materials,
which makes them suitable for long-term intensive use.
Furthermore, thanks to the counterweight construction,
the height can easily be adjusted.
